

Presidents Report

Bryce Gardiner, our speaker on Thursday provided an update on the development of the new Beumaris Sports Club facility which will have its official opening in December. It was interesting to hear that it might become the new home of Beumaris RSL if the club is re-established. We also got some insights into event and merchandising management. Once the new facility is open we will look at ways in which we can support the operation, hopefully RCOB members will consider taking out social membership to support the club.

James Glenwright successfully conducted our AGM but I think missed the record by about 40 seconds; I made it 4 minutes and 10 seconds. Heather Chisholm was confirmed as incoming president, David Hone was confirmed as President Nominee for 2019 / 2010, Roy Seager confirmed as Secretary and Lynda Douch confirmed as Treasurer for 2018 / 2019. It is great to see that we have club presidents in place for the next two Rotary years, there are clubs in the district who still don't have a President Elect.

On Thursday VGC provided us with a different style of meal. Following the feedback from our recent member's survey, Heather Chisholm and I had discussions with Margaret Monaghan and Paul Dennis at VGC and passed on your comments, concerns and suggestions. The feedback I got on Thursday was all positive but please continue to let us know what you think.

Don't forget we have DG Malcolm Chiverton and his wife Karen visiting on 30th November. I plan to give this meeting an "End Trachoma 2020 theme" and feature the resumption of our Art of Kakadu exhibition at Beumaris Library. After some initial activity things seem to have gone quiet of late. Between the revenue from the artwork, the coin can and Heather's "Dollar Dog" (which has now collected over \$600 at various events and functions) we have raised a significant amount of \$\$\$ but I am not sure we know what to do with it.

Following our participation in the Concourse Car Show we have received a significant donation from the Concourse Traders. The money is most welcome and will help fund our local projects. For those not going to the night away in Warburton, please remember that Kerrie will be looking for help with the Concourse Christmas Festival on Friday 24th November.

I will shortly be collecting numbers for our joint meeting with Hampton Rotary at Milanos at Brighton Beach on Tuesday 5th December. We will be able to pay on the night but I will need to give the Hampton folks some numbers. The speaker will be Niki Efstratiou from Bayside Council who will share the results of the Council's Youth

THE SHEPHERD AND THE LAMB

A shepherd in Beyşehir, Turkey, bottle-feeds a lamb after its mother died. He will have to continue doing so, as the lamb refused to bond with the nursing sheep to the right. He wears a kepenek, a traditional shepherd's cloak made out of felt, that covers him from shoulder to ankle.
