

Presidents Report

Last Thursday we all enjoyed the Beumaris Theatre Company's production of "One for the Pot". It was a farce of the very English variety, with mistaken identities, hiding in cupboards, multiple entrances and exits, country houses and the British class structure. The energy shown by the company was palpable and the lead player needed the fitness of an athlete. Thanks to Richard Jones for organizing the night.

Heather Chisholm and John Sime availed themselves of the invitation extended to all members to attend a Board Meeting last Tuesday. The highlights from the meeting were:

- Approval to proceed with a global grant application for the Sabu Schools Solar Project;
- Approval to donate \$1,500 to Sandringham Secondary College to support the painting of a large mural, by the students, as part of the Sports Pavilion renovation;
- Declination of club support of MUNA this year – it was felt that the scheme, though worthy in its intent, in its current form no longer represented value for money.

Thanks, in advance to all members and partners who have volunteered to park cars and man entrance gates at the World Cup Golf this week. There will not be a meeting at the Victoria Golf Club this week but there will be an informal get-together post golf at Vincent's on Sunday night. All members and partners are welcome even if they have not been able to participate in the World Cup. Please ensure you book in with James Glenwright ahead of the night.

As I have not a lot to say this week here are some memory joggers of coming events, please book in early to allow appropriate arrangements to be made.

- Monday 21-Sunday 27 November - World Cup Golf;
- Friday 25 November - Presidents Meeting (District 9810 event);
- Sunday 27 November – After Golf Get-together at Vincent's
- Tuesday 29 November – Breakfast with Lindsay Fox;

National RAWCS NZ Earthquake Appeal

RAWCS has set up a National RAWCS NZ Earthquake Appeal. The advantage of this process is to allow Rotarians and friends to obtain a tax-deductible gift receipt, and to ensure all donors only need to donate into the one account. The Project partner is the NZ RAWCS equivalent Rotary New Zealand World Community Service (RNZWCS) and we will regularly release funds into their account set up to support the NZ Earthquake needs as required.

This will save you being involved in currency exchanges when donating via RNZWCS.

Please see the attached ‘How to donate’ document on page 8

If you wish to donate please go to;

THE ART OF KAKADU

The Rotary Club of Beaumaris, in conjunction with the Mercure Kakadu Crocodile Hotel are proud to announce an exhibition of indigenous art from Kakadu and particularly from around Jabiru, in May 2017 at the Bayside Council Artrium. RCOB has also been requested to consider holding exhibitions in each of the libraries in Bayside over the following four months.

The Mercure Kakadu Crocodile Hotel's, recent success in the in the 2016 Broлга Northern Territory Tourism Awards which were announced in November in Darwin follows an extensive upgrading program, which has included distinctive Indigenous aspects, such as the expansion of the hotel's Ochre Art Gallery and the appointment of an Indigenous Artist in Residence to encourage greater understanding of cal culture.

The Croc has developed strong relationships with several local artists such as Timothy Djangjomerr. Timothy originates from Mudginberri in the Northern Territory and paints with "grass" which is the stem of a freshwater reed with many fibres inside.

Timothy Djangjomerr

These are pared to the thickness required for his Skin Group. The thickness of the lines and the way they are applied are very important – beside skin, they tell the Clan and Country of the artist.

As with all these artists, Timothy paints the stories he was given as a small child. He come from a rich heritage of artists and was taught to paint by his father who taught him about the history and life through art and this was their way of sharing, remembering and understanding country, culture and history.

All proceeds from the sale of the art will be donated by Beaumaris Rotary to local community and indigenous projects. Buyers of the art will be supplied with a profile of the artist and a Certificate of Authenticity.

BRING IT IN

PHOTOGRAPH BY MIKE KOROSTELEV, YOUR SHOT

In the Azores, an archipelago approximately 900 miles off the coast of Portugal, a group of sperm whales huddles beneath the surface. While adult males are solitary creatures when not breeding, females and juveniles assemble in pods of 10 to 20 members, often vocalizing and touching each other when socializing, as seen here. The largest toothed predator in the world, sperm whales are a common sight in the Azores, where they congregate year-round.
