ROTARY CLUB OF BEAUMARIS WEEKLY BULLETIN

Number 37 1 April 2013

Presidents Report

I trust everyone had an enjoyable and safe Easter.

I understand that the Golf and BBQ event on Easter Eve at Royal Melbourne went well, despite the wind. I heard that golfers and equipment nearly got blown away! Thanks to Roger for arranging this, and to Heather for all the “behind the scenes” organisation that made it all happen

Unfortunately Sue and I couldn’t attend the golf or BBQ, as it was her Mum’s funeral that afternoon. It was a sad Easter for Sue and all the family, and on Sue’s behalf I wish to thank everyone very much for the support and kind thoughts at this difficult time.

I feel privileged to be part of such a wonderful group of people that make up the Rotary Club of Beaumaris.

We are back at VGC this week, with guest speaker Rod Ingham talking about the Yarra River.

I hope your footy team did well for the first round. With all the upsets I guess all the tipsters didn’t do too well!

Stay safe everyone.

President John

Interview with Angelina Itu on Sabu Island

During our last year's visit to Sabu Island we took the opportunity to interview one of the Students living at Pastor Franz' Hostel at Seba. Not many of the Girl's (let alone Boys) can speak English or are game enough to come "out of their shell" to speak to us. We had met Angelina already the year before so she felt at ease to answer our questions. Also her English is quite good and she had no problems talking to us.

Name: Angelina Itu

Age : 21

School: Attending secondary school at Seba

Father: Keraba Itu, now a Fisherman at Kupang

Mother: Magdalena Itu, she is 35 years old

Family: There are 6 Brothers and 2 Sister. Lina the oldest one is at University at Kupang studying English. Once finished she will return to Sabu as an English teacher. In her spare time Lina is working at a Supermarket at Kupang to assist Angelina to pay for her studies. All brothers and the younger sister are still attending Primary school at Mehona (Mehara Province). First 6 years Primary and then 3 years secondary school. Her youngest Brother is 5 and the oldest 9 years old.

Hobby: Listen to Music, play Football

If she would have money: Angelina would be in the Fashion Accessories or Jewellery business.

If she could travel: She would first go to Australia and then to the USA.

The Photos depict Angelina on Pastor Franz' Ute, her Family, the "Kitchen" and the the outlook from their house at Mehona.

ROTARY CLUB OF BEAUMARIS
FUNDRAISING EVENT

THE GREAT GATSBY

OPENING NIGHT

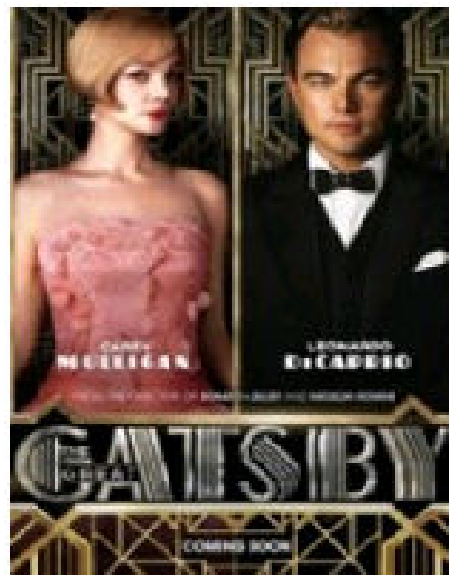

DENDY BRIGHTON

Thursday 30 May

Director: Ben Luhrmann

Main Cast: Carey Mulligan, Leonardo Di Caprio

The Great Gatsby follows Fitzgerald-like, would be writer Nick Caraway as he leaves the Midwest and comes to new York City in the spring of 1922, an era of loosening morals, glittering jazz and bootleg kings. Chasing his own American dream, Nick lands next door to the mysterious, party giving millionaire, Jay Gatsby, and across the bay from his cousin, Daisy, and her philandering, blue blooded husband, Tom Buchanan. It is thus that Nick is drawn into the captivating world of the super-rich, their illusions, loves and deceptions. He pens a tale of impossible love, incorruptible dreams and high-octane tragedy.

Cost: \$30/ticket includes free pre dinner drink and food.

Time: 5:15pm to 5:45pm

Session Starts: 6pm

Methane Bubbles, Alaska

Photograph by Mark Thiesen, National Geographic

The first clear ice of fall on an Alaskan lake captures methane that all summer long has bubbled from the bottom mud. In spring it will be released into the air. As permafrost melts, new lakes are forming all around the Arctic.
