

## President's Message

Dear Members and Friends,

It's been a busy week for us all as things begin to start up again .

Last Thursday night we celebrated a return to getting together in person with our fellowship night at Sandy by the Bay. How wonderful it was to have a reason to get a bit dressed up and go out ! I very much enjoyed speaking to all the members and partners who were able to join us (see photos). The food was great and the conversation even better. Thank you to Megan who organised the night with her usual flair . The decorations made everything feel very special. Thanks also to Shirley and Ken for organising our quiz and drawing competition. There were some very interesting final results. Our next fellowship night will be our Christmas Break Up (see below).

This week is our first meeting back at Victoria Golf Club. **For this week and next week it is 6.45 pm arrival for a 7.00 pm start.** When restrictions ease again, we can return to our 6.30 pm arrival for 7.00pm start. Please assist me by replying A.S.A.P your attendance.

This morning I visited our new Community Market at Beumaris North Primary School. Well done to Chris Mara and his team, especially Liz Tanzimat and Ken Mirams, for all their hard work in preparation for today. It is great to be back in this location albeit on a different day. I enjoyed the different mix of stalls, and it was wonderful to catch up with other members and partners also visiting to have a look. Our team was busy collecting feedback from both stallholders and customers as we refine both the market planning and operations.

On Tuesday night we have our Board Meeting at 6.00pm. If any members wish to attend to observe ,they are most welcome. Alternatively, is you have any matter you wish us to discuss at our meeting, please contact our Secretary Greg Every.

I look forward to seeing all of you next Thursday evening. As it is Remembrance Day, members may wish to wear medals awarded to themselves or their family members.

**SAVE THE DATE - CHRISTMAS PARTY – WEDNESDAY 15 DECEMBER**

Our final meeting for 2021 will be at Beumaris Motor Yacht Squadron. Due to the availability of this wonderful venue, we will be having our party this year on Wednesday, not Thursday. Please put the date on your calendar and be prepared to join in the fun !

Yours In Rotary,  
Lynda

## Market Report

Beaumaris North Community Market was held on Sunday 7 November. Volunteers arrived early in misty and soggy conditions. Whilst the sun didn't break through, fortunately the rain held off.

The market opened at 8am with more than 50 stallholders offering a wide variety of goods, including craft.

Our first market back at Beaumaris North for a long time, featured our new Market Manager, Charles Agius. Charles has been working hard organising stallholders and promoting the market on social media. Customer traffic was light (600-700) relative to past markets but expected to grow as word gets out, the craft side increases and the sun shines!

Thanks to all volunteers: Gail Anderson, Bridget Hage, Fred Hofmann, Charmaine Jansz, Chris Mara, Tony McKenna, Ken Mirams, Antony Nixon, Richard Potter, Clem Quick, Julie Reith, Di Zarro and Viv and Mark Zopolato. A special thanks to Bob McArthur for arriving six days early (he's rostered on next week at Black Rock!).

Markets for the rest of the year:

13 Nov – Black Rock Farmers Market

5 Dec – Beaumaris North Community Market (including raffle)

11 Dec – Black Rock Farmers Market (including raffle)

Liz Tanzimat

## Environmental Sustainability News Item

From the ABC:

**Can Australia untangle its climate mess?  
Here's how Australia could become a renewable  
superpower by 2030. Sounds too good to be true?**

## You are Among Fully Vaccinated Friends

All members of Beaumaris Rotary have provided the Club with proof of their double vaccinated status. In addition non-member partners of eight members have provided proof of their complete vaccinations status, along with an honorary member and his spouse. Thanks go to all our members for enabling us to comply with District 9810's mandate.

Greg Every

## An Appeal for Your Support For The Rotary Foundation

The Rotary Foundation is Rotary International's global philanthropy organisation. It transforms gifts into service projects that change lives both close to home and around the world. Rotary Foundation Australia is one of eleven affiliate bodies around the globe. Rotary Foundation Australia enables people and organisations in Australia to make contributions that are tax deductible in Australia.

Rotary Foundation Australia shares The Rotary Foundation's mission of enabling Rotarians to advance world understanding, goodwill and peace through the improvement of health, the support of education and the alleviation of poverty.

There are a very large number of worthwhile community projects in Australia and overseas that Rotary could choose to support. However, The Rotary Foundation has chosen to focus on seven critical causes:

<b>Promoting Peace</b>	<b>Fighting Disease</b>	<b>Providing Clean Water</b>
<b>Supporting Education</b>	<b>Saving Mothers and Children</b>	<b>Growing Local Economies</b>
	<b>Protecting the Environment</b>	

This is in addition to ending Polio and responding to natural disasters.

It is by supporting great causes and following clearly defined processes that The Rotary Foundation has – every year for well over a decade – received the highest possible rating of the leading charity assessment organisation, Charity Navigator.

Rotary International encourages all Rotarians to support the The Rotary Foundation by making an annual donation of at least \$100 per year to the Foundation. You can of course donate less or more.

There are a number of ways you can donate to the Foundation.

- Directly. Go to <<https://www.rotaryfoundationaustralia.org.au/action/donate>>. This is straightforward, amounts are in A\$ and you can make your donation a one off or recurring. If you choose to do this please advise Chris D'Arcy that you have done so in order to keep our records up to date. There is no need to disclose the amount of your donation
- By signing up to the Australian Centurion Program. You agree to make a donation of at least A\$100 a year. This is a good option if you to make recurring payments. If you would like to become a Centurion, let Chris D'Arcy know and you will receive a sign up form by return.
- You can make your Foundation donation to the Club's Project Account. Please include your name and the word 'Foundation' in your bank's payment form and let Chris D'Arcy know so we can make sure you are acknowledged for the payments. The Club will combine our individual donations and send them in bulk together with the Club's own donation to The Foundation. Individual donations are tax deductible

***Why are we writing to you now? November is Rotary Foundation month. Please use this month to make your donation to the Foundation. A\$100 is less than the cost of two cups of coffee per week for a year***

If you are one of our members who already make a donation to The Rotary Foundation:- thank you.

**Chris D'Arcy & John Beaty**  
Beaumaris Rotary Foundation Committee

## Beumaris Rotary Club Roles in 2022 – 2023

Thanks to everybody who got back to me regarding club roles in 2022 – 2023. I am now a fair way (no pun intended) into building the team that will steer our club in my year as President; hopefully a year full of activity and “Service above Self”. I aim to have the job finished by Christmas so we can start planning for 2022/3 early in the New Year.

I would really like to hear from the folks who have not yet replied. So, please let me know if you would like to continue in the role you currently have or would like to try something new or take on a leadership role for the first time. I can't promise everyone will get their first choice but I will do what I can; Foundation Chair is definitely available. The listing of current roles and committee membership can be found in this bulletin.

Rotary year 2022 – 2023 will be especially notable for two reasons. Rotary International will have its first female President, Jennifer Jones who is a member of the Rotary Club of Windsor-Roseland, Ontario, Canada.

Also the annual Rotary International Conference is scheduled to take place in Melbourne at the end of May 2023. For most of us this will be a once in a lifetime opportunity to experience the wider world of Rotary first hand. I am sure there will be opportunities for us to be involved in the event.
